

DONATION INITIATIVES

GENERAL PUBLIC

DONATE LIFE KENTUCKY ORGAN AND TISSUE DONOR REGISTRY

State-authorized registry that enables personal authorization for organ/tissue donation, with enrollment online (www.donatelifeky.org) or at Circuit Court Clerks offices when renewing driver's license.

DONATE LIFE AMBASSADORS/SECOND CHANCE @ LIFE VOLUNTEERS

More than 200 trained transplant recipients, donor family members, and advocates who inspire the community to Donate Life.

MINORITY OUTREACH COMMITTEE

Volunteers committed to recognizing and the need for minority donation and educating the public about donation and transplantation

DONOR FAMILY QUILT AND REGISTRY DAYS

A KODA-wide endeavor to increase Donor Registry participation while recognizing those who gave the "Gift of Life" by displaying the Donor Family Quilt.

HEALTHCARE PROFESSIONALS

ORGAN DONATION AND TRANSPLANTATION COMMUNITIES OF PRACTICE

National initiative to increase organ donation, involving OPOS, hospitals, transplant centers and donor registries. Annual *Communities of Practice* seminars offered to healthcare providers in hospital settings.

HOSPITAL DEVELOPMENT AND IN-SERVICES

Hospitals assigned a KODA liaison as a constant resource and who provides educational presentations to physicians, nurses, and healthcare professionals, generally in the hospital setting.

CHAPLAINCY WORKSHOPS

Annual chaplaincy workshop offered to all chaplains in the KODA service area.
